RTSC is a nonprofit organization that repairs and renovates homes for low-income veterans / seniors and community facilities in Solano County with the partnership of local companies, businesses and service organizations. Our goal is to provide a safe and healthy environment for low-income senior homeowners and residents receiving services in our community facilities.

Rebuilding Together has provided services in Solano County since June, 2009. With more than 4,750 volunteers, RTSC has provided necessary home repairs for 30 low-income seniors (one living in Vacaville, five residing in Fairfield/Suisun City, two living in Benicia and twenty-two residing in Vallejo). Also, RTSC has held more than thirty-four community facility workdays in Benicia, Fairfield, Rio Vista, Suisun City, Vacaville and Vallejo. For every dollar invested in a RTSC project, our return to the low-income homeowner and neighborhood has been six-fold. In total, Rebuilding Together has invested more than \$4,000,000 into revitalizing low-income homes, community facilities and neighborhoods in Solano County.

The success of Rebuilding Together and our outreach to low-income homeowners in our community depends on support from you. **WE ARE COUNTING ON YOU TO JOIN WITH REBUILDING TOGETHER SOLANO COUNTY TO MAKE A DIFFERENCE IN OUR COMMUNITY.**

Rebuilding Together Solano County assists low-income homeowners and community facilities with health and safety repairs. During a project, local businesses, community members and concerned residents come together from all walks of life to rehabilitate homes and community facilities in Solano County. This is accomplished with volunteer labor—both skilled and unskilled—donated materials/services and financial support from within the county. Since June, 2009, Rebuilding Together has rehabilitated 27 homes for low-income homeowners (disabled / seniors / military) and held more than 36 community facility workdays in Solano County. Total value of rehab work donated by RTSC and our volunteers exceeds \$4 million.
