RTSC is a nonprofit organization that repairs and renovates homes for low-income homeowners (veterans / seniors and disabled) and community facilities in Solano County with the partnership of local companies, businesses and service organizations. Our goal is to provide a safe and healthy environment for low-income homeowners and residents receiving services in our community facilities.

Rebuilding Together has provided services in Solano County since June, 2009. With more than 4,750 volunteers, RTSC has provided necessary home repairs for 34 low-income seniors (two living in Vacaville, five residing in Fairfield/Suisun City, two living in Benicia and twenty-five residing in Vallejo). Also, RTSC has held more than four-four community facility workdays in Benicia, Fairfield, Rio Vista, Suisun City, Vacaville and Vallejo. For every dollar invested in a RTSC project, our return to the low-income homeowner and neighborhood has been six-fold. In total, Rebuilding Together has invested more than \$5,000,000 into revitalizing low-income homes, community facilities and neighborhoods in Solano County.

The success of Rebuilding Together and our services depends on your support. We are counting on you to join with Rebuilding Together to make a difference in our community.
