## MISSION

As a housing nonprofit organization, we assist low-income homeowners with home rehabilitation projects - focusing on providing a healthy and safe home. Our focus is low-income seniors, disabled individuals and veterans. In addition to home rehabilitation, Rebuilding Together also assists community facilities with needed repairs. During a project, local businesses, community members and concerned residents come together from all walks of life to rehabilitate homes in Solano County. This is accomplished with volunteer skilled and unskilled labor, donated materials/services and financial support from within Solano County.
