In sponsorship with **WELLS FARGO** and **HOME DEPOT**, Rebuilding Together Solano County (RTSC) is pleased to announce our upcoming 09/11/2023 workday to provide necessary health and safety repairs for a low-income veteran widow and her disabled daughter.

“It is very heartwarming that Rebuilding Together Solano County and the workday sponsors (Wells Fargo and Home Depot) and other workday donors can join together to make a lasting and visible difference for another veteran / military homeowner in Solano County,” said Elizabeth Hoffman, Executive Director, Rebuilding Together Solano County. “Wells Fargo has been instrumental in donating the funding and volunteers to allow the necessary home repairs for more than 25 veteran households in Solano County.”

“Throughout the years, Wells Fargo has supported military service members and veterans through initiatives to hire and retain veterans, and through foundation donations, financial health resources, and event sponsorship. We are thrilled to join Rebuilding Together Solano County, local servicemembers, and members of the community to make repairs to the home of a World War II veteran’s widow so that it is a safe and accessible place to live. It is our way of showing our appreciation of our military community and the community at large,” said Kevin Barri, Northern Golden State region bank executive, Wells Fargo.

This workday is made possible due to our generous premier sponsors, **WELLS FARGO** and **HOME DEPOT** as well as our additional donors including Construction Concierge, Costco Vallejo, CSAA, Harim Jeon Tree Service, M & M Sanitation LLC, Medic Ambulance, Minuteman Press, Phillips 66, Republic Services – Fairfield, The Nimitz Group, Valero Benicia Refinery, Vallejo Community Presbyterian Church and other community supporters.

Rebuilding Together repairs and renovates homes and community facilities in Solano County with the partnership of local companies, concerned residents and service organizations. Our goal is to provide low-income homeowners (veterans, seniors, and disabled individuals) with an avenue to remain in their home—safely and with dignity.

Rebuilding Together has provided services in Solano County since June 2009. With more than 12,000 volunteers, RTSC has provided necessary home repairs for 40 low-income veteran, senior, or disabled homeowners. Also, RTSC has held more than 52 community facility workdays in Benicia, Fairfield, Rio Vista, Suisun City, Vacaville and Vallejo. In addition, RTSC has installed more than 4,000 smoke and 2,400 carbon monoxide alarms for low-income Solano County homeowners.

In addition, RTSC has provided a Drive Thru Food Pantry to low-income veteran / senior / disabled families in Solano County as well as 16 mobile sites including low-income mobile home parks throughout Solano County, a low-income elementary school and organizations serving the disabled. RTSC has distributed more than 750,000 lbs. of food in the past year as part of Feeding America via the Food Bank of Contra Costa / Solano Counties.

For every dollar invested in a RTSC project, our return to the low-income homeowner and neighborhood has been ten-fold. In total, Rebuilding Together has invested more than \$9,000,000 into revitalizing low-income homes, community facilities and neighborhoods in Solano County.
