## MISSION

Bringing volunteers and communities together to improve the homes and lives of low-income homeowners with a focus on veterans, seniors and/or disabled homeowners. As a local nonprofit organization, we assist low-income homeowners with home rehabilitation projects, installation of smoke/CO alarms at mobile home parks and a food pantry. In addition, RTSC also partners with local companies to rehab community facilities. During a RTSC project, local businesses, community members and concerned residents come together from all walks of life to rehabilitate the homes and lives of those in need in Solano County. This is accomplished with volunteer skilled and unskilled labor, donated materials/services and financial support from within Solano County.

## SOLANO COUNTY IMPACT

From June 2009 thru December 2023, more than 12,000 Rebuilding Together volunteers have rehabilitated **42** homes for low-income homeowners (seniors / military / disabled) and held more than **52** community facility workdays in Solano County, CA. In addition, Rebuilding Together has installed and/or donated more than 4,810 smoke and 2,900 carbon monoxide alarms.

**Estimated value of work is more than \$10,000,000.**
